

**B/Strong Performance Finish label means you've chosen a great fabric that with easy care.**

**The treatment applied imparts oil and water repellency as well as antimicrobial properties to the fabrics while improving lightfastness, abrasion and pilling all while remaining environmentally friendly.**

**To clean fabrics treated with B/Strong Performance Finish follow these simple steps.**

- **gently blot or scrape off any excess spill from fabric**
- **if spill did not remove completely by blotting, pour a little water on the stain, press down using damp cloth about a minute**
- **use same cloth, gently rub the stain in circular motion**
  - **repeat if necessary**
